MEMBERSHIP SUBSCRIPTION - STRUCTURE 2014

Members assess their own annual subscriptions, based on their **total commercial communications spend for the preceding year**, i.e. 2013 calendar year.

Commercial communications spend covers all media areas, e.g. Press, Television, Radio, Outdoor, Cinema, Digital/Social Media/Internet, but also expenditure on Direct Mail, Sponsorship, Exhibitions and Point-of-Sale. Associated production costs should also be included.

This figure then indicates the Grade at which AAI should invoice a member for 2014.

We request that members inform us as soon as possible of the appropriate Grade and if they require their purchase order or requisition number printed on the invoice.

The annual subscription paid by members is allowed as a business expense for tax purposes.
